

SolhFagito is majorly invested in Manufacturing Plant based food products, with a plan to conduct its own Research and Development for catering Indian Market. We plan to offer plant based milk in variety of flavours with optimum freshness and highest quality. This is also with an idea to expand the line up into other bi-products like Tofu, Yoghurt, Cheese, Ice-cream, Milk-powder, etc.

Beverages

Soy milk and Oat milk can easily be substituted for cow's milk in all baking needs, with coffee or on top of cereal, for pancakes and waffles, in smoothies, or straight from the glass.
